FCC Mail Room

The Federal Communications
Commission "CC Docket
No 96-128"

I would like the FCC
to put a really low cap
on the amount of money
that phone companies
can charge for prison
phone calls.

The Federal Ethics
Rules addresses issues
such as this and should
be adhered to. The current
situation is unethical
price gouging at its best.

I would like the FCC to
vote in favor of
"CC Docket # 96-128 better
known as "Wright
Petition")
